Small Entity Declaration—Independent Inventor(s)

As a below-named inventor, I hereby declare that I qualify as an independent inventor as defined in 37 CFR 1.9(c) for purposes of paying reduced fees under Section 41(a) and (b) of Title 35 United States Code, to the Patent and Trademark office with regard to my above-identified invention described in the specification filed herewith. I have not assigned, granted, or licensed—and am under no obligation under any contract or law to assign, grant, convey or license—any rights in the invention to either (a) any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or (b) any concern which would not qualify as either (i) a small business concern under 37 CFR 1.9(d) or (i) a nonprofit organization under 37 CFR 1.9(e).

Each Person, concern, or organization to which I have assigned, granted, or licensed—or am under an obligation under law to assign, grant, convey, or license --- any rights in the invention is listed below:

 There is no such person, concern, or organization.

I acknowledge a duty to file, in the above application or patent application of any change in status resulting in loss of entitlement to small entity status prior to paying, or all the time of paying, the earliest of the issue fee or any maintenance fee due after which status as a small entity is no longer appropriate (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent, to which this verified statement is directed.
